**GRANT OF LICENSE FOR AUTHORIZED USERS**

Subject to the terms and conditions of this Software End User License Agreement (the "**EULA**") and the payment of all applicable license fees, ACCEO SOLUTIONS INC. ("**ACCEO**") grants to you (the "**End User**") a limited, non-exclusive and non-transferable license to install and use, for internal purposes only, the software programs with which this license is distributed (the "**Software**"), including any printed documentation or documentation files published by ACCEO and accompanying the Software (the "**Documentation**"), on a single server (if the Software is server based) which may be accessed only by the number of users licensed by ACCEO, or a single personal computer (if the Software is PC based) (the "**License**").

The End User may also store or install one backup copy of the Software for archival purposes. One License for the Software may not be shared for use on different computers

or servers. If a serial number, password, license key or other security device is provided to the End User for use with the Software, the End User may not share or transfer such security device with or to any other user of the Software or any other third party. Any other use of the Software by any third party, except as provided in this EULA, is strictly forbidden and is a breach of this EULA.

Any maintenance of the Software (i.e. technical support and updates), will be provided in accordance with a separate Support and Maintenance Agreement entered into between the End User and either ACCEO or any of ACCEO's authorized agents.

ACCEO may, at any time during the End User's normal business hours and upon reasonable advance notice, conduct an audit at the End User's premises to ascertain whether the End User's use of the Software is in compliance with the provisions of this EULA. The End User shall reasonably assist ACCEO in the conduct of such audit and shall grant ACCEO reasonable access to the End User's premises and computer equipment for that purpose. In the event that such audit reveals any use of the Software by the End User other than in material compliance with this EULA and/or any other agreement between ACCEO and the End User, the End User shall reimburse ACCEO for all reasonable costs and expenses related to such audit in addition to any additional license fees and support and maintenance fees owed to ACCEO as a result of such non-compliance.

**OWNERSHIP**

The End User has no ownership rights in the Software. The Software, Documentation and the intellectual property rights associated therewith are and will remain at all times the sole and exclusive property of ACCEO and its affiliates, and the End User has no right, title or interest in or to the Software, Documentation or the intellectual property associated therewith, except as expressly set forth in this Agreement. This EULA does not grant the End User any rights in the trademarks or service marks of ACCEO, all of which remain the exclusive property of ACCEO and its affiliates. The End User may not alter or remove trademarks, service marks or other markings from the Software, Documentation or their associated packaging. Upon ACCEO's request, the End User agrees, at ACCEO's costs and expenses, to take such actions as ACCEO may reasonably request to perfect ACCEO's ownership in the Software.

**COPYRIGHT STATEMENT**

The Software and Documentation contain material that is protected by copyright laws and international treaty provisions. Accordingly, the End User may not make copies of the same, except that the End User may (a) make a copy of the Software as permitted above solely for backup or archival purposes, and (b) transfer the Software from digital media to hard disks provided that the Software is used only as specified in this EULA. The End User may not copy the Documentation. Also, the End User shall maintain at all times all copyright notices provided on the Software, Documentation and associated packaging and any copies thereof. The End User shall ensure that any permitted copy of the

Software is produced only for the End User's own benefit, that it is clearly marked on the copy that such copy is subject to copyright and confidentiality, and that a written list is maintained of the number of copies and place of storage. Copies of the Software constitute ACCEO's property. All the terms and conditions of this EULA shall also apply to such copies.

**OTHER RESTRICTIONS AND ASSIGNMENT**

This EULA grants the End User the right to use the Software for internal purposes only. The End User may not use the Software to operate a subscription service, service bureau, Software as a Service (SaaS) model, or other similar access fee-based services for the benefit of any third party without the prior express written consent of ACCEO. The End User must protect the Software and Documentation in a manner consistent with ACCEO's rights expressed in this EULA. The End User may not sublicense, modify, distribute, or create derivative works based on the Software or any part thereof. The End User may not reverse engineer, decompile, disassemble, translate, or adapt the Software, nor shall the End User attempt to create the source code from the object code of the Software.

The End User acknowledges that insofar as the Software may be certified under particular industry requirements, including PA-DSS requirements, any tampering or other modification to such Software that is not authorized by ACCEO may cancel or otherwise affects such certifications.

The End User acknowledges and agrees that the intellectual property associated with the Software and the Documentation, and any other non-public information of a technical or commercial nature concerning ACCEO, the Software and the Documentation disclosed to the End User in connection with this EULA constitute ACCEO's proprietary information and trade secrets, and the End User agrees to hold such information in strict confidence.

The End User shall have no right to transfer or assign the License or the End User's rights or obligations under this EULA in whole or in part, and any attempted transfer or assignment shall be null and void. The foregoing notwithstanding, upon prior written approval by ACCEO, the End User may assign, or otherwise transfer this EULA to any affiliate. For purposes of this EULA, the term "affiliate" means any entity which controls, is controlled by, or is under common control with the End User, where "control" means the legal, beneficial or equitable ownership of at least a majority of the aggregate of all voting equity interests in such entity.

If an ACCEO product is licensed to the End User as part of a third-party product, i.e. a limited "Powered by ACCEO" license, by an OEM partner authorized by ACCEO, then the End User's permitted use of the ACCEO product will be restricted to the third-party product and its data structures and the End User may not use the ACCEO product separately from the third-party product.

**INFRINGEMENT OF THIRD PARTY INTELLECTUAL PROPERTY RIGHTS**

ACCEO shall pay those costs and direct damages finally awarded against the End User in connection with any claim by a third party that the Software directly infringes any U.S. or Canadian copyright or misappropriates any trade secret recognized as such under the Uniform Trade Secret law (or those costs and damages agreed to by ACCEO in a written monetary settlement) and the reasonable costs of defense incurred by the End User in connection therewith, including reasonable attorneys' fees and court costs, provided that: (a) the End User provides ACCEO with prompt written notice of any such action or claim; (b) the End User allows ACCEO to assume and control the defense and settlement of any such action or claim, at ACCEO's costs and expenses; (c) the End User will not prejudice the defense of the action or claim nor will the End User make any admission as to liability nor compromise or agree to any settlement of any such action or claim without the prior written consent of ACCEO; and (d) the End User will provide ACCEO with such assistance, documents, authority and information as ACCEO may reasonably require in relation to the action or claim and defense or settlement thereof.

Notwithstanding the foregoing, ACCEO shall have no liability to the End User for any claim that: (a) arises out of any unauthorized use, reproduction, or distribution of the Software; (b) arises out of any modification or alteration of the Software by anyone other than ACCEO; (c) arises out of the use of the Software in combination with any other software or equipment not approved in writing by ACCEO; or (d) would have been avoided by use of the then-current Release of the Software or if the End User had followed ACCEO's reasonable written instructions.

In addition, if the Software becomes, or in ACCEO's opinion is likely to become, the subject of an infringement or misappropriation claim, ACCEO may, at its own costs, expenses and option, elect to either: (a) procure the right for the End User to continue using the Software in accordance with the provisions of this EULA; (b) make such alterations, modifications or adjustments to the Software so that the infringing Software or Documentation becomes non-infringing without incurring a material diminution in performance or function; (c) replace the Software with a non-infringing substantially similar substitute; or (d) if neither (a), (b) nor (c) can be achieved after the exercise of commercially reasonable efforts, terminate this License and refund to the End User: (i) all amounts paid by the End User to ACCEO as license fees with respect to the affected Software, less an amount equal to depreciation of such license fees calculated on a three-year straight-line basis from the date of license, and (ii) a pro rata portion of any prepaid support and maintenance fees for the then-current annual support and maintenance period.

If ACCEO modifies or replaces the Software, the End User shall have the same rights in respect thereof as it would have had under this EULA.

THIS SECTION STATES ACCEO'S ENTIRE LIABILITY, AND THE END USER'S SOLE REMEDIES, FOR ANY INFRINGEMENT OR ALLEGED INFRINGEMENT

OF THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS IN RELATION TO THE SOFTWARE AND THE DOCUMENTATION.

**LIMITED WARRANTY**

This warranty extends only to the original End User of this License, and no third party shall have the right to make any claim or assert any right hereunder.

ACCEO warrants that for a period of 90 days from the date of the acquisition of the License (the "**Warranty Period**"): (a) the Software will perform substantially in accordance with the Documentation; and (b) the Software is properly recorded on the media or in the files to be downloaded. ACCEO does not warrant that the operation of the Software will be uninterrupted or error free. This warranty is void if failure of the Software has resulted from accident, abuse, or misapplication or from the End User having modified the Software or used it for a purpose or in a context other than the purpose or context for which it was designed.

If, during the Warranty Period, the Software does not perform substantially in accordance with the Documentation or is not recorded properly on the media or files to be downloaded, the End User's sole and exclusive remedy, and ACCEO's sole obligation and liability under this warranty shall be as follows: if the End User notifies ACCEO in writing of the non-conformity within the Warranty Period, ACCEO shall, at ACCEO's option, either (i) return the license fees paid (if any) with respect to the non-conforming Software; or (ii) repair or replace the non-conforming Software. If ACCEO elects to return the license fees, the End User agrees to promptly return the Software to ACCEO or establish to ACCEO's satisfaction that it has destroyed/uninstalled the Software. Any replacement Software will be warranted for the remainder of the original Warranty Period or 30 days from replacement, whichever is longer. There is no warranty after expiration of the Warranty Period.

EXCEPT FOR THE LIMITED WARRANTY PROVIDED ABOVE, THE SOFTWARE AND THE DOCUMENTATION ARE PROVIDED "AS IS". ALL OTHER WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT ARE HEREBY DISCLAIMED.

**LIMITATION OF LIABILITY**

IN NO EVENT SHALL ACCEO BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, INCIDENTAL, SPECIAL, OR PUNITIVE DAMAGES OR LOSSES OF ANY KIND ARISING UNDER ANY THEORY OF LIABILITY (INCLUDING TORT), INCLUDING WITHOUT LIMITATION DAMAGES OR LOSSES FOR LOSS OF PROFITS, LOSS OF PRODUCTION OR EXPECTED SAVINGS, BUSINESS INTERRUPTION, LOSS OR CORRUPTION OF BUSINESS

DATA OR INFORMATION, OR OTHER PECUNIARY LOSS, EVEN IF ACCEO HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

EXCEPT FOR ACCEO'S INDEMNIFICATION OBLIGATIONS HEREUNDER AS REGARDS INFRINGEMENT OF THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS, ACCEO'S MAXIMUM AGGREGATE LIABILITY UNDER THIS EULA (REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT, OR OTHERWISE) SHALL BE LIMITED TO DIRECT DAMAGES NOT TO EXCEED THE AMOUNT OF LICENSE FEES PAID BY THE END USER TO ACCEO FOR THE LICENSE TO WHICH A SPECIFIC CLAIM RELATES.

THE FOREGOING LIMITATIONS, EXCLUSIONS AND DISCLAIMERS SET FORTH IN THIS EULA SHALL APPLY TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, EVEN IF ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

**TERMINATION**

This EULA is effective until terminated. The End User may terminate this EULA at any time by destroying or returning to ACCEO all copies of the Software and Documentation in the End User's possession or within its control. ACCEO may terminate this EULA immediately at any time by written notice to the End User if the End User has breached any of the terms of this EULA. Upon notification of termination, the End User agrees to promptly destroy or return to ACCEO all copies of the Software and Documentation and to certify in writing that all known copies, including backup copies, have been destroyed or returned to ACCEO. All provisions relating to confidentiality, proprietary rights and non-disclosure shall survive the termination of this EULA.

**CONSENT**

By its use of the Software pursuant to the License, the End User expressly consents to the uploading of the Software and its bug fixes, patches, new releases and other updates on its computer system from time to time.

In order for ACCEO to provide for the evolution and improvement of the Software, the End User further consents to certain information pertaining to the use of the Software by the End User being transmitted via Internet, through web services, to ACCEO's servers. When a user logs off a session previously logged in the Software, certain usage statistics are sent securely and anonymously. No personal or name specific information is transmitted and ACCEO has no means of knowing from which End User it has been obtained. ACCEO uses such information for the sole purposes of managing and prioritizing the developments to its technological solutions for quality improvement. The collected information is not disclosed to anyone nor are they used for commercial purposes, and is deleted periodically.

The End User finally consents to ACCEO communicating with him from time to time via Email or other electronic communication regarding the Software or other products or services of ACCEO.

The foregoing consents may be withdrawn by the End User by written notice to ACCEO but the use of the Software or certain functionalities thereof may be affected or even prevented by such withdrawal of consent.

**GENERAL**

The End User agrees not to export (or use) the Software or the Documentation in violation of applicable export laws, statutes or regulations. This EULA may only be modified by a written document that has been signed by both the End User and ACCEO. If any provision of this EULA is held to be unenforceable, the parties shall substitute for the affected provision an enforceable provision which approximates the intent and economic effect of the affected provision. The failure by a party to exercise any right hereunder shall not operate as a waiver of such party's right to exercise such right or any other right in the future.

This EULA constitutes the entire agreement between the parties with respect to the subject matter contained herein, and supersedes all previous agreements, representations, warranties, statements, negotiations, understandings and undertakings, whether verbal or written, pertaining to such subject matter. The End User hereby represents and acknowledges that in entering into this EULA, it did not rely on any representations or warranties other than those expressly set forth in this EULA.

This EULA shall be governed by the laws of the Province of Québec and the laws of Canada applicable therein, regardless of their conflict of law provisions, and shall be construed accordingly. Except as otherwise provided herein, the courts of the Province of Québec or the federal courts of Canada having jurisdiction therein, as applicable, shall have sole and exclusive jurisdiction over any claim whatsoever arising under or in relation to this Agreement or its subject matter.
